PROFILE SUMMARY

Second-year Bachelor of Computer Applications student at ISM Patna with a strong interest in software development and web technologies. Experienced in building responsive web applications and interactive user interfaces using HTML, CSS, and JavaScript. Skilled in C, C++, and Java, with a passion for solving problems, learning new technologies, and developing practical software solutions through hands-on projects.

PROJECTS

Personal Portfolio Website — Live Demo | GitHub

Aug 2025

- Built and deployed a fully responsive portfolio website to showcase projects, certifications, and technical skills.
- Developed modern user interfaces with smooth navigation, mobile-first design, and optimized performance across devices.
- Tech Stack: HTML5, CSS3, JavaScript, Vercel*

Quiz Application — Live Demo | GitHub

May 2026

- Developed an interactive quiz application with dynamic question rendering, automated score calculation, and instant result generation.
- Implemented answer validation, question navigation, and responsive layouts to deliver a seamless user experience.
- Tech Stack: HTML5, CSS3, JavaScript*

EDUCATION

Bachelor of Computer Application (BCA) | ISM Patna

July 2024 – June 2027

CGPA: 8.39/10

Class XII | Purnia Mahila College

Apr 2022 – Mar 2023

TECHNICAL SKILLS

Languages:	C, C++, Java, JavaScript
Frontend:	HTML, CSS3, Responsive Design
